Height estimation in egocentric video

Jessie Finocchiaro
Aisha Urooj Khan
Dr. Ali Borji

Data collection

- FINISHED!
- Collected dynamic videos for each person as well
  - Someone else is walking through video
  - Gait is more relaxed and natural

Feature extraction

- Explored HOG, HOOF, SIFT features for SVC training
  - HOG performs best

Cross-validation

- Ran program with 3-fold and 10-fold cross-validation to compare results
